Greetings ladies!

I hope this is finding everyone and their families well. I’d like to take this opportunity to thank you all for the honor of being your club president for this coming year. I hope it brings us all prosperity, health, and unity.

We are living in unprecedented times. Covid-19 has changed our lives and how we function from day to day and completely halted other aspects of our lives. I tried to see the change as an opportunity to focus my energy in other areas. I hope everyone enjoyed and appreciated the unique opportunity to focus on their health, home and family. Things are far from over when it comes to the changes to our lives and routines, but with the re-opening we now must shift our thoughts and energy back to other aspects of life, among other things, community and our club.

With the new perspective on life and the break to reassess our efforts, please join me in banding together to help our community and accomplish what we can through our club.

Thank you

Christina Bean
